The General Data Protection Regulations are to safeguard your personally identifiable information or personal data. This privacy notice will be regularly reviewed and updated.

### **Information held**

The personal data we process may include the information in column A of the attached appendix and may also include other sensitive data concerning health, if relevant to your application. Where the provision of data is a statutory, a contractual requirement or a requirement necessary to enter into a contract, a refusal to provide the data may mean that we are unable to provide you with our service.

To ensure that we provide you with the best service possible we will need to collect and retain certain personal data. The data may be collected and processed by those listed in columns B and F. How we source the data is identified in column C. We may source data from third parties or via third parties e.g. Credit referencing company, referees, local authority.

### **Lawful basis of processing**

Your personal data will be used for the activities in column D. There are six lawful bases for processing your data including consent, a legitimate interest, contract fulfilment, a legal obligation and a vital interest. For each usage of the data the lawful basis of the processing of your data will be identified in column E. A legitimate interest is when we have a business or commercial reason to process your personal data which needs to be balanced with your interests i.e. what is right and best for you.

Where we state that we have a legitimate interest, the fact that we have a legitimate interest and what that legitimate interest is, will be stated in column E, e.g. to keep in touch with you during and after the tenancy; to seek your consent when we need it to contact you; fulfilling our legal and contractual duties. Your personal data will be processed during and after your tenancy and any subsequent tenancy arranged through us.
